

Respected Sir,

I am writing this letter to request you for a grant of scholarship for completing my higher studies. My name is Rohit, and I am currently studying in Class 12th at your esteemed institution. I come from a humble background and my parents are not able to bear the entire expenses of my higher studies due to financial constraints.

A scholarship grant from your esteemed institution would be of great help to me and will make it easier for me to continue my studies. I am an ambitious student and have been performing well in my studies as well as in extracurricular activities.

I have secured 96% in my last examination and am confident that I will be able to maintain the same level of performance in future as well. I am attaching all the necessary documents along with this application. I am hopeful that you will consider my request and provide me with a scholarship grant.

Thank You

Yours Faithfully

Rohit Mehra
