Sir:

I am honored to apply as a City LGU scholar in your office. I am Jumel Melchor Gamongan, a graduate of Humanities and Social Science at Tabuk City National High School with flying colors.

I am currently enrolled as Bachelor of Arts major in Political Science freshman student at Kalinga State University, Dagupan Campus.

Your favorable action regarding this matter is an opportunity for me to have a good future.

Thank you very much. May your good intentions be rewarded in a thousand fold!

Very respectfully yours,
